

On application seeking order/directions on application u/s 91 CrPC.

Present: Proxy counsel for applicant.

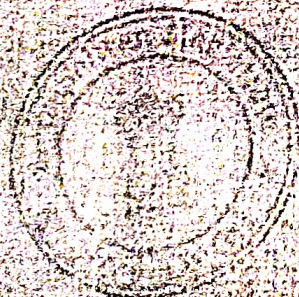

None for non applicant.

I have perused the application u/s 91 CrPC moved by respondent / applicant seeking preservation and production of call and data detail records alongwith location information of mobile no. [REDACTED] and [REDACTED] 4 [REDACTED] last three years.

Though, it has been alleged in the application that the first two mobile numbers pertain to one [REDACTED] while the other two mobile numbers belong to complainant and the last phone number is a land line number used by [REDACTED] from his office, no finding on these allegations can be made without evidence.

As regards, prayer of preserving call detail records of all the phone numbers, it has been pleaded that the details/records are automatically destroyed /erased after a lapse of three years and it is apprehended that the necessary record may thus not be available after [REDACTED]

In view of the plea of respondent/ applicant and the fact that no prejudice would be caused to any of the parties if such call detail records are preserved, preservation of such call detail records of the referred mobile numbers and land line number is allowed. Let, notice be issued to the concerned service providers of respective telephone companies to which these phone numbers pertain, with direction to

preserve call detail records of the same for the last three years and file a compliance report by next date.

It has also been prayed in this application that guest booking register records with both guest ID proof, CCTV footage, ID proof, register entry and other e-record of bookings dated [redacted] of hotel OYO Flagship hotel at [redacted] Gurugram and of hotel Avenue Residency, [redacted] community center, Gurugram. Apart from CCTV footage pertaining to [redacted] of OYO hotel, Gurugram, there is not other document or record which is likely to get destructed and as such, no directions qua such documentary record are being passed and the same may be summoned at appropriate stage, if required. However, notice be issued to Manager OYO [redacted]

[redacted] to preserve CCTV footage of [redacted] and filed the same before this court as and when directed. Concerned manager of OYO [redacted] hotel is directed to file a report of compliance.

As the matter has not yet been proceeded for evidence, no orders for production of any such record is necessitated at this stage. Respondent is at liberty to seek production of the preserved record at appropriate stage of evidence.

Application accordingly disposed of.
Put up on date already fixed i.e. [redacted]
Order be given dasti.
